Experience

CRM & AI AUTOMATION EXPERT

SEARCHATLAS

2024 - 2026

Worked with Search Atlas on Go High Level (GHL) and HubSpot CRM systems, focusing on workflow automation, event and webinar automation, email marketing, email deliverability optimization and sms automation. Managed Zapier automation, CRM processes, lead nurturing systems, and domain authentication setup (DMARC/SPF/DKIM) to improve marketing performance and operational efficiency.

Marketing Manager

BAHLON

2023 - 2026

Worked as a Marketing Manager at Bahlon managing Go High Level (GHL) and ActiveCampaign systems for marketing automation, email marketing, and customer engagement. I provided email deliverability optimization, SEO, Pinterest marketing, and workflow automation services to improve brand visibility, lead generation, and campaign performance.

Automation Expert & GHL Manager

Exo Strategies LLC

2021 - 2023

Worked with Exo Strategies managing Go High Level (GHL) marketing systems, AI ChatBots, AI Agents, and lead automation workflows. Focused on streamlining customer communication, automating lead management, and improving marketing operations through AI-powered automation systems.

GHL Email Marketing & Email Deliverability

FBL - Fitter Body Ladies

2025 - 2026

Worked with Fitter Body Ladies managing Go High Level (GHL) email marketing systems and email deliverability optimization. Focused on campaign automation, audience engagement, inbox placement improvement, and domain authentication setup (DMARC/SPF/DKIM) to enhance email performance and customer communication.
